

Deep Creek Trails

The Deep Creek area is located in higher elevations up to 8,800 feet. The area is remotely located in timber with old logging roads. Wildlife, such as deer elk, occasional moose and grouse can be seen.

Location—American Falls Area

Directions: From Pocatello head west and take exit take exit 52 off of Interstate 86 and travel south of the Arbon Valley Road. The Deep Creek Mountains are located on the west side of the road. Other access includes taking exit 36 of Interstate 86 and heading south on Highway 37 or the Rockland Highway.

Dispersed trails are located in this area on large blocks of public land, which provide an opportunity for riding.

There are no facilities in this area. Nearest facilities are in the towns of American Falls or Rockland. If access is closed in certain areas, please respect private property rights.

Neat trails to ride include: East Fork Canyon, Portage Canyon, Big Canyon, Stewart Canyon, South Fork Bull Canyon, Green Canyon and Knox Canyon Roads.
